

A decorative background featuring a network diagram. It consists of numerous nodes, represented by small circles, some of which are solid blue, some are hollow blue, and others are solid grey. These nodes are interconnected by thin, light-grey lines, forming a complex web-like structure that is more dense on the left and right sides of the slide.

A decorative network diagram in the top-left corner, featuring a complex web of interconnected nodes and lines. Some nodes are highlighted with blue circles, and others with blue dots. The lines are thin and gray, creating a mesh-like structure.

# Anylogic

A decorative network diagram in the bottom-right corner, similar to the one in the top-left. It shows a network of nodes connected by lines, with some nodes highlighted in blue. The overall style is clean and modern, with a focus on connectivity and data flow.

# Software Presentation

- ⦿ Agent
- ⦿ Rectangular node
- ⦿ Create agents by button
- ⦿ Agent move to store

# Thanks!
